A Positive Behavior Support Pocket Guide (Paperback)

By Travis Barker

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Second Edition: In a value based service setting the positive behavior support methodology has responded to the call for a safe, respectful, and evidence informed practice for responding to challenging behaviors. Instead of managing or treating behaviors, the positive behavior support methodology seeks to replace the goal seeking behavior with strategies that are more productive.
