Xulon Press, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In Conquering Giants in Modern Times: Inheriting Our Land of Promise, Dr. Darren Maracin examines three specific giants found in the Old Testament--the Hittites, the Amorites, and the Canaanites. The writer reveals the role and nature of these giants and how the demonic forces behind them still operate today to oppose the New Testament believer from gaining his or her inheritance in Christ. God has promised the Christian complete victory in every area of life (1 Corinthians 15:57). His Word is both the sword to battle the spiritual enemies of darkness who stand opposed to the child of God and also the lamp on life's journey to discover the secret treasures of His Kingdom (Ephesians 6:17; Psalm 119:105). The Old Testament is our living illustration of spiritual truths. Without a doubt the incredible stories found throughout its pages provide, for the Christian, a vivid illustration for New Testament living. Let's go and conquer! Maracin Ministries International was launched in 2002 by a God-inspired mandate to preach the uncompromising, life-changing message of God's Word throughout the world. Dr. Darren Maracin and his wife Abigail travel throughout the United State and overseas proclaiming the gospel that has enabled multitudes to receive salvation and miracles of healing through Jesus Christ. The Maracins also conduct numerous seminars and conferences on Christian living, cell church ministry, and church leadership. Prior to launching Maracin Ministries International, Darren and Abigail served as associate pastors at Bethany World Prayer Center, a 10,000-member cell church in Baton Rouge, Louisiana, working as Cell Administrator and Children's Ministry Director, respectively. In 2005, the couple, along with their five children, relocated to Kalamazoo, Michigan, to plant and pastor Church on...
