The Western Journal of Medicine and Surgery, 1841, Vol. 4 (Classic Reprint) (Paperback)

By Daniel Drake

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Western Journal of Medicine and Surgery, 1841, Vol. 4 We often see persons who have been brought up in a plain manner acquiring a competency, and then quitting their laborious habits and taking to a sedentary life, become suddenly corpulent, with the appearance of high health. But if you congratulate them on the change, they will tell you that they do not feel well. They are troubled occasionally with fullness of the head, or wandering pains in the abdomen or joints, evidently arising from the full habit, the result of the change in the mode of life. Many such persons I have seen suddenly taken off by some structural lesion, without any premonitory symptom. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Reviews

Very good e book and helpful one. it was writtern quite properly and helpful. I am quickly could possibly get a enjoyment of looking at a composed book.
-- Connor Lowe IV

Absolutely essential read book. It is probably the most incredible pdf i have got read through. You will like the way the writer publish this pdf.
