Microsoft ISA Server 2000 (Paperback)

By Zubair Alexander

Pearson Education (US), United States, 2001. Paperback. Condition: New. New. Language: English . Brand New Book ***** Print on Demand *****. Secure and enhance network performance with Microsoft ISA Server 2000. Microsoft Internet Security and Acceleration Server 2000 is more than a simple firewall product. By combining enterprise firewall and high-performance Web cache functions, ISA Server provides a common management infrastructure that reduces network complexity and costs. ISA Server protects networks from unauthorized access, inspects traffic, and alerts network administrators to attacks. The readers of this book will receive comprehensive appendices on useful ISA Server information. Readers will find information in this book that they won't find in any other book on the market. This book includes information on security patches and hot fixes, TCP/IP port assignments, knowledge base articles, ISA Server tools, and a whole lot more.

Reviews

Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. It's been written in a remarkably easy way in fact it is only right after I finished reading this book in which basically changed me, modify the way I really believe.
