CREATIVE THINKING MOTIVATIONAL AND CREATIVE WRITING

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 150 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. Unleash your creative gene with positive thinking. Everyone has some form of creativity in my opinion. Whether it be a famous Artist, or a Musician, or whether it be a mother of 4 who tends to a garden in her back yard, creativity has no boundaries or set rules as to who gets declared to be called creative. I never made one of my discoveries through the process of rational thinking Albert Einstein Creative people often tend to be a bit scatter brained, or they may seem as if they are off kilter from what the rest of the world perceives to be normal. Most creativity seems to rear its head during the most inopportune times, such as in the middle of the night when you are in a nice deep sleep, dreaming of counting sheep who are hopping along over a picket fence. Or smack dab in the middle of an important meeting at your hectic 9 to 5 job that you have in order to put food on the table and pay the bills. Do not let this frustrate you though, as this is all part of the natural progression that most creative people have to learn to deal with in order for that empty canvas to one day become a brilliant masterpiece. Does life side track you, and slow you down from expressing your creative side Sure it does! We are busy people, with real lives to lead, and many of us have also got real mouths to feed. Priorities definitely change through time, and most people do not have the luxury of endless free time, to go along with an endless flow of money, in order...
