TT is being established as a not-for-profit organization of course. Transgenders Transcending is a 12 step program that arose in my Journey as a member of AA. With 2 suicide attempts and suffering from an inability to escape depression, I found myself applying the 12 life principles of 12 step programs to my journey challenge of being a transperson. I began transition at age 48 and soon lost my spouse and my job. I learned that proving EEOC discrimination in Federal Court is nearly impossible and my case was dismissed. This are the types of things many transpeople experience in this journey. The transgender journey is exceptionally difficult on nearly every front - self acceptance, alienation of the family, employer behavior discrimination, social acceptance, psychological trauma and the physical challenges of having parts not consistent with ones gender. Its a lot, and transpersons have the highest known suicide attempt rate of any known group. Having applied and Mastered the 12 life principles of Transgenders Transcending, I arose from of my challenges and the flow of my life blossomed into a beautiful experience. Great spirit gave me my life mission to create Transgenders Transcending and help my brother and sister transpersons find a life of serenity and hope using the program i developed for myself 3 years earlier. I believe the only ones that can truly understand and relate to help us on our journey are us - other transpersons. Its time to come together and create our community Reverend Valentine Evelyn Ge.
