Charlotte House Publishers, United States, 2014. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.This book solves the problem of how to decide which passages in the Bible apply to modern Christians today. Cage and Orr offer the kingdom of God as the basis for a method for sifting biblical teachings and commandments in order to find the universal characteristics of the disciple of Christ. They set out the algorithm, explain it and then test it. After this, a chapter is devoted to a clear presentation of the characteristics of a citizen of the kingdom of God, no matter the period in history, the ethnicity,...
