CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 80 pages. Dimensions: 11.0in. x 8.5in. x 0.2in. Have fun teaching and learning English with this unique ESL book for intermediate and advanced learners. The book is an invaluable resource book for English conversation lessons with active learning activities, fun games, quizzes, role plays, amusing texts, questions, humorous dialogues and discussion suggestions. Englishpath helps establish a relaxed studying environment in which students feel positive to experiment with language and build their confidence speaking English, be it just out of interest or in preparation for the speaking part of IELTS or other formal testing. It is structured as a coursebook for English language courses - primarily targeting intermediate and upper-intermediate secondary school and university students studying English as a second or additional language - although it works well for older age groups and more advanced English learners too. The book has 12 lesson units with teaching notes and key included. Each lesson unit has a combination of individual, paired and group activities and numerous ideas for encouraging discussions. To increase the learners interest, the students are brought closer to the contemporary culture and aspects of everyday life in English speaking countries. The topics are concentrated on the shared interests of teenagers and young adults worldwide; selected themes range from popular free-time interests like television, music, fashion, food and holidays as well as professional subjects such as jobs, money, politics and science. Englishpath is a great workbook to help teachers deliver excellent lessons, make the lessons fun and keep the learners motivated and interested in learning English. This item ships from La Vergne, TN. Paperback.
