Laurie Bodine, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The START Leadership Workbook is a companion to the book **START: Lead Well, Be Well, Do Well**. It contains the processes, worksheets, and methods of START's universal leadership approach, adapted specifically for parents of Pre K to College age kids. The processes and methods work together to create an affirmative family culture that actively develops essential leadership skills in your kids--the skills they need to thrive in a highly competitive world. Inside, you'll find the step by step tools and plans you need to optimize individual and family dynamics to create a culture of leadership and engagement where kids are inspired to develop the attributes and master the skills that are essential to success in a highly competitive, ever-changing world. If the highly stressed students I see had gone through this program, they wouldn't be in my office. They would have developed better tools, become more resilient, and have a better perspective on life. Mother and Psychiatrist at University of Pennsylvania Using START Leadership has made me more effective at work and at home - I'm modeling, teaching, and reinforcing a leadership approach for my team and my kids. We're all becoming better leaders. Father and Manager at Workday We have seen the impact START makes on developing essential leadership skills while building social and emotional capacity and connection. By shifting to a leadership mindset and committing to the START approach, you and your kids will reap the benefits now, and in the future. Bill Brady, Leadership Director, The Haverford School (PA).
