McQuicker Company, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Kickin Santa - Atheists and the matter of Fact is more than a book, it is a call to arms; a warning for parents to safeguard their children s sense of critical appreciation and judgment so they do not become targets of charlatans and smooth-talking psychopaths eager to exploit their willingness to believe fairy tales. It is not a book about journeys of discovery or intellectual enlightenment, and it is certainly not about Christmas nor the sly, jolly, fat fellow in red. Concise and focused, Kickin Santa. is a hole-puncher for religious arguments, fallacies and contradictions quoted by those smiling others who, empowered by psychotic belief, insult our intelligence with: It says so in the bible.
