Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.T-FLAC PASSPORT COLORING BOOK Stimulate your senses and let your imagination soar with the intriguing international locales of my T-FLAC spies. Carefully selected images depict the veritable calm preceding the storms I create in my novels. The drawings are scenes of that quick flash in time that exists before all hell breaks loose. Let your creativity flow as you de-stress by travelling safely to Amazon jungles, or as you float down Venice's Grand Canal in a gondola. Pluck a fresh, juicy peach from a corner produce stand as you walk the streets of Amsterdam, with sunlight sparkling on the canals. Color your sky at sunset, or the sun-soaked blue of high noon, or fill it with your own wildly creative designs. Color a calm village square, or line the cobbled street with your own clay pots spilling vibrant red geraniums. Hide a cheeky parrot in the myriad of greens in your jungle, or let a flight of purple butterflies loose over the trees. Here you'll find a varied and enticing range of images to colorize, embellish, and make your own. T-FLAC's Passport Coloring Book will delight and entertain everyone from beginners to advanced colorists. The 51 original designs, printed on one side of the page, will melt away your stress and distractions of the day. When you're through, you'll be rewarded with a portfolio of beautiful finished artwork. Color to your heart's content. Remain calm and color yourself Zen - Cherry style.
