

American Voters Are Really Stupid (Paperback)

By A Nobody et Al

AUTHORHOUSE, United States, 2005. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This book is an indictment against the wealthy, their lobbyists, and their politicians who have controlled the government of this country for more than two hundred years. Hiding behind their smiles, patriotic sentimentality, and religious declarations, politicians have been lying to us for generations. As secret representatives of business conglomerates, religious power groups, media empires, banking and insurance institutions, advertising agencies, and the fascist conspiracy that doesn't exist, they have been writing laws all these years to relieve the tax burden on the wealthy and big business. They use tax dollars to pay off their election supporters with government contracts. They create wars to make the wealthy even wealthier while ordering naive idealists in the military to kill and die on battlefields around the world. Using the same slimy, soul winning devices of revivalists on the sawdust trail, politicians for reelection glad handed, hugged, kissed babies, and joked with the troops to win the voters confidence. Everything will be all right if we vote the party line, encourage our children to join the military, go to church, and stay the course....
