

Summer Trails: Book 1 of the Summer Trails Series (Paperback)

By Janessa Suderman

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. Sixteen-year-old Jessa Davies is going to horse camp; and this year she's on staff! She can't wait to spend her summer as a wrangler; riding her favorite horse, goofing off with friends, and basically having a blast. Things go even better than expected when the cutest cowboy at camp starts paying special attention to her! But things get complicated fast when a co-worker seems to hate her guts. Jessa starts to question everything; from her crush, to whether she even has what it takes to be a wrangler. Tempers run high as manipulation clouds the truth, and Jessa wonders why she ever thought wrangling was good idea. Through it all she is reminded of God's love as she rides along the summer trails. A fresh and fun coming-of-age novella for ages 11-18, or anyone who loves horses!.
