It is just one of my personal favorite publications. It is among the most awesome publications I have read. It is extremely difficult to leave it before concluding, once you begin to read the book.

The mines are drying up and the land is riddled by drought. Those townspeople left have little to do but wile away the hours with drink. Salvation of sorts arrives in the form of Michael Random, a mysterious water diviner who emerges from the desert. As the town s reluctant messiah Random begins to spread the word of Christ. Desperate for a reprieve, many of the locals are drawn to his teachings, but a stubborn few remain sceptical of their new leader. A post-apocalyptic parable, Tourmaline is Randolph Stow s most allusive and controversial novel. It remains a landmark in Australian literature more than half a century after its first publication. Intense and extraordinary. Spectator Brilliantly evocative.disturbing. Meanjin.
