

## Guide to Effective Risk Management 3.0 (Paperback)

By MR Alex Sidorenko, Mrs Elena Demidenko

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Risk management is ultimately about creating a culture that would facilitate risk discussion when performing business activities or making any strategic, investment or project decision. In this free book, Alex Sidorenko and Elena Demidenko talk about practical steps risk managers can take to integrate risk management into decision making and core business processes. Based on our research and the interviews, we have summarised fifteen practical ideas on how to improve the integration of risk management into the daily life of the organisation. These were grouped into three high level objectives: drive risk culture, help integrate risk management into business and become a trusted advisor. This document is designed to be a practical implementation guide. Each section is accompanied by checklists, video references, useful links and templates. This guide isn t about classical risk management with its useless risk maps, risk registers, risk owners or risk mitigation plans. This guide is about implementing the most current risk analysis research into the business processes, decision making and the overall culture of the organization.
