Reviews

This published book is wonderful. It is really simplified but unexpected situations within the fifty percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Dr. Janis Reilly)

Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Battlewrack The sun hung in the mists of morning, swollen, blood-red, a symbol of augury, as the artillery brigade pulled out of the village where it had been billeted for the night. At the tail of its long line of slowly moving vehicles marched a compact column of brown-clad infantry. In front moved a squadron of cavalry. The lieutenant-colonel commanding the brigade trotted smartly past the batteries with his staff. Fresh from an interview with the divisional artillery commander, he tried not to look preoccupied and anxious as he met the searching eyes of his men. From an unknown distance a dull thud, irregularly repeated, vibrated through the dense atmosphere. The colonel raised his head sharply to listen. The men in the column exchanged glances full of meaning. The dull concussions continued, but the column did not increase its pace. The long line of guns and wagons rolled onward at a steady walk, amid a jangle of chains and harness. The gunners on the limbers smoked and talked. Occasionally there was a burst of laughter. It seemed that that ominous thudding was a summons which concerned them not at all. In the fog which drifted in patches across the road its origin seemed enormously remote. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority...
