Reviews

The very best publication i at any time study. It really is basic but shocks inside the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Marlin Swift)

ODD HOURS

HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, Odd Hours, Dean Koontz, From the mind of Dean Koontz, the 400 million copy worldwide bestseller, comes this supernatural tale of good and evil, and life and death. Find out why Odd Thomas is the master storyteller's most talked about creation. Strange times need strange heroes. Odd Thomas lives always between two worlds. He can see the lingering dead and knows that even in chaos, there is order, purpose, and strange meaning that invites our understanding but often thwarts it. Intuition has brought Odd Thomas to the quaint town of Magic Beach on the California coast. As he waits to learn why he has been drawn there, he finds work as a cook and assistant to a once-famous film actor who, at eighty has become an eccentric with as long a list of fears as he has stories about Hollywood's golden days. Odd is having dreams of a red tide, vague but worrisome. By day he senses a free-floating fear in the air of the town, as if unleashed by the crashing waves. But nothing prepares him for the hard truth of what he will discover as he comes face to face with a form of evil that will test him as never before.
