By Jon G Lyon

iUniverse, United States, 2010. Paperback. Book Condition: New. 218 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.Meet Jack Brennan, a twenty-one-year-old educational greenhorn armed with a bachelor s degree in secondary science education, a reasonable degree of intelligence, and a woefully shallow pool of experience. He easily lands a job with the Buffalo Public School District and realizes too late that he s been tossed into the meat grinder that is urban education. As his first year progresses, the school of hard knocks introduces him to inept administrators, burned-out teachers, asocial children, apathetic parents, a naive court system, and a seriously flawed bureaucracy. Jack s tribulations include a riotous school invasion, the theft of his car by a student, and a desperate drive through a blizzard while attempting to return his students from an ill-fated camping trip. When a major tragedy strikes, Jack plods numbly along in the wake of the school community s loss. He must decide if all the heartache is worth the effort. Success could make teaching a life s career. Failure will make him desperate for a way to support his life. Advance Praise for Schooling Mr. Brennan I think...
