When our son contracted Group B Strep on his third day of life, we became a part of that tragic statistic. My child, Clay, was blind, had cerebral palsy, was fed via G-tube with a 24 hour feeding pump and took as many as 32 medications a day. Thought to only live for three years, our little angel lived for 15 1/2 years. My son became my strength and not my weakness! I was CHOSEN by God to love and care for this child. God chose ME! What a wonderful opportunity and the most important role of my life! Come with me as I give practical suggestions regarding healthcare, schools and respite care, organizing your household to make life easier, and Scripture verses to memorize and speak to your child. A mother of a special needs child needs to be efficient in time management, especially with other family members in the household! Let s honor God with our gifts and be thankful to be CHOSEN to serve our little ones.
