WHERE HAVE YOU BEEN? (PAPERBACK)

Editions Dedicaces, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Johnny is just a regular guy discharged after Iraq. He wants what every guy wants; a pretty girl, a nicer car, some money, and enough Heroin to stave that itch in the back of his head. That last thing may not be what EVERY guy wants, but it s all the same, isn t it? You just try to get through a day in his shoes. A day that starts with aggravated assault, goes on fixing some guy s toilet, to murder. Milaowic, John, Corporal, serial number. ahhh. Not sure if I have one. Johnny s head has just not been the same since coming back home; things are blurry. Nothing seems to be going right; his girlfriend, Jenny, is about to leave him, his friends become his enemies, or they decide to quit using Heroin and abandon him. Just trying to squeeze a normal day out of this life becomes his biggest challenge, and being a murder suspect isn t helping either. Ask not what your country can do for you, guys, as what the hell you re going to do when your country is done with you.
