Forgotten Books. Paperback. Condition: New. This item is printed on demand. 180 pages. Dimensions: 9.0in. x 6.0in. x 0.4in. Excerpt from Sketchy Pages of Foreign Travel Even in this day of superior facilities for the tourist, comparatively few of our people go abroad; and most of those who do travel appear to have no higher motive than self-gratification. True benefactors of the reading world are the select minority of travelers who study every thing from the best point of view, and faithfully chronicle the results in available form. To this honorable class, whose mission it is to please and instruct mankind, our author, Dr. Young, pre-eminently belongs. His tour of the far East, some years ago, was described with master-touch in his *Twenty Thousand Miles*; but this account of his recent eight months excursion through Europe, when the experiences were altogether different and more stimulating, will give him a clearer title to the high rank we have assigned him. It is indeed a charming record of travel, and by him happily styled *Sketchy Pages*. The auspicious sojourn in England and France, and the leisurely passage into Italy, Spain, Germany, Russia, Turkey, Denmark, Sweden, Norway, etc. , afforded sketchy material without limit for this always cheery *compagnon de voyage*.
