

A Slice of Life: A Personal Story of Healing Through Cancer (Paperback)

By Lee Sturgeon-Day

FLORIS BOOKS, United Kingdom, 2002. Paperback. Condition: New. Revised. Language: English . Brand New Book. Fourteen years ago, Lee Sturgeon-Day was diagnosed with breast cancer. Three years later, after a variety of treatments, her annual check-up showed her to be completely clear. In this account of her illness and healing, she writes vividly and clearly of all she learnt through her experience. At the difficult stage of assessing all the medical options, from surgery to complementary medicine, her choice was to look to anthroposophical medicine, a whole person approach informed by the insights of Rudolf Steiner. Working with doctors and healers to restore wholeness to her body and spirit, through a range of therapies and treatments, she found that much of her personality was called on to change. She learned above all that she did not have to -- nor even could -- do it all by herself .
