Hodder Stoughton General Division, United Kingdom, 2012. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Stephen Fry s secret wife speaks out at last.Enjoyed a nice cuppa this morning with a HobNob and Jeremy Kyle. There was a woman on there who d been married 16 years without realising her husband was gay. Extraordinary! Which reminds me, it s our 16th anniversary in a few weeks. What a coincidence. Stephen Fry - actor, writer, raconteur and wit. Cerebral and sophisticated, a true Renaissance man. Or is he? Finally, his secret double life - the womanizing, the window-cleaning, the kebabs, the karaoke - is exclusively revealed by Edna, his devoted wife and mother of his five, six or possibly seven children. These diaries take us through a year in the life of an unwitting celebrity wife, and are rumoured to include: - scandalous nocturnal shenanigans - advice on childcare - 101 things to do with a tin of Spam. A good diary should be like a good husband - a constant companion, a source of inspiration and, ideally, bound in leather. - Edna Fry /MrsStephenFry.
