## ORACLE, ARIZONA: SIGHTS TO SEE, PLACES TO VISIT, THINGS TO DO

Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Oracle, Arizona is a community of about 4,000 that live just northeast of Tucson, AZ. There are ranchers, poets, farmers, miners, artists, and normal everyday people who have struggled through the ups and down of mining, cattle ranching, and all the trials and tribulations that bring a community together. You will find many churches here, and not many bars or taverns. One of my favorite places to eat is Casa Rivera s Mexican Restaurant. My favorite trading post is the Jerry and Sue Trading Post. Jerry is an artist who makes old metal pieces turn into amazing pieces of art. One of his sculptures is called Skeleton Crew and is located in the nearby town of Mammoth. It depicts the hard working miners who worked late shifts, night shifts, and tried to eke out a living underground in most cases, spending long tedious hours mining gold, silver, copper, and what ever brought money. They were a hardy lot. This community is a mixture of the old, new, and evolving life styles with a feeling that everyone cares for everyone. My pictures capture some of the life of the community, but I wish I could encourage the every day tourist to take the time to not just drive through, but explore the Oracle State Park, walk some of the trails, check off the sites I have noted in this book as kind of a scavenger hunt to see in and out of Oracle. some of the ranches noted in this book have overnight accommodations, weekly accommodations, and receptions for weddings, reunions, and family gatherings. If you want to go horse back riding, yep, got that! If you want to...
