Completely essential read through publication. It normally does not expense excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

THE SOCCER WAR (PAPERBACK)

Random House USA Inc, United States, 1992. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Part diary and part reportage, *The Soccer War* is a remarkable chronicle of war in the late twentieth century. Between 1958 and 1980, working primarily for the Polish Press Agency, Kapuscinski covered twenty-seven revolutions and coups in Africa, Latin America, and the Middle East. Here, with characteristic cogency and emotional immediacy, he recounts the stories behind his official press dispatches--searing firsthand accounts of the frightening, grotesque, and comically absurd aspects of life during war. *The Soccer War* is a singular work of journalism.
