Affirmations for Everyday Living is a handbook for beginning and advanced students of spirituality who are looking for a tool to deepen communication with their inner Guidance. Annie Elizabeth intertwines the wisdom of contemporary and classical spiritual teachers with her unique inner voice to create affirmations addressing common life situations, goals and challenges. An overview of the origin and efficacy of the use of affirmations in the New Thought and self-help movements is included, as well as instructions for creating and using affirmations to improve one's life and that of others. Powerful sets of affirmative statements are organized within eleven major life themes, augmented with personal reflections on each page, as well as over 40 images from the The River Sanctuary healing center. A collection of glorious affirmations to transform any challenge into gratitude and joy. --Robert Fish, PhD.
