THE MORMON MENACE (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In the old time the President of the Church was the temporal as well as spiritual head. No one might doubt his revelations or dispute his commands without being visited with punishment which ran from a fine to the death penalty. When outsiders invaded their regions the Mormons, by command of Brigham Young, struck them down, as in the Mountain Meadows murders. This was in the day when the arm of national power was too short to reach them. Now, when it can reach them, the Church conspires where before it assassinated, and strives to do by chicanery what it aforesaid did by shedding blood. And all to defend itself in the practice of polygamy! One would ask why the Mormons set such extravagant store by that doctrine of many wives. This is the great reason: It serves to mark the Church members and separate and set them apart from Gentile influences. Mormonism is the sort of religion that children would renounce, and converts, when their heat had cooled, abandon. The women would leave it on grounds of jealousy and sentiment; the men would quit in a spirit of independence and a want of superstitious belief in the Prophet's revelations.
