This book clearly explains how to plant churches that are simple enough to keep on reproducing and even grow into a movement of churches. Planting Churches that Reproduce is the fruit of Comiskey s extensive research and personal experience (three church plants in a wide variety of settings). Comiskey not only uses the latest North American church planting statistics but also extends the illustrations to include worldwide church planting. More than anything else, this book will provide practical solutions for those planting churches today. Comiskey s book is a must-read for all those interested in starting Christ-honoring, multiplying churches. LEONARD SWEET (Drew University) wrote: Better late than never but best never late. Where has this book been? How different might the church be today if Comiskey s invaluable resource had been available even ten years ago? Don t discover Comiskey ten years from now and exclaim, Where have I been! The book we ve needed and been waiting for is here now. Tag, you re it. ALAN HIRSCH (Author of The Forgotten Ways) wrote: Here is a thoroughly practical, encouraging and thoughtful contribution to the small but growing body of literature on multiplication movements. This is an important book not only because it involves a return to a more genuinely biblical ecclesiology but also because it envisions the much more dynamic form of church that will advance the cause of Jesus in the 21st Century. JEANNETTE BULLER (Church planter and coach) wrote: Joel Comiskey brings both his experience and the experience of others together in a clear,...
