Outskirts Press, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Don't Be Afraid of Emergency Survival. Be Prepared! You never know when you might find yourself in an emergency situation. A natural disaster, man-made disaster, or even the financial meltdown of the economy can catch anyone off guard. Your first priority should be to take care of your family and yourself. Getting to a safer location and taking the basic survival gear to meet your immediate and potentially long-term needs is your first step in the right direction. My Emergency Survival Source is a well-organized, user-friendly guide designed to give you the vital survival and product information to meet your specific emergency preparedness needs. Learn about portable disaster kits and what they should contain. You'll find detailed lists of other essential items such as food, water, communication, sanitary supplies, first aid, lighting, heating, shelter, sleeping, survival tools, pet supplies, seeds, and more. And the valuable tips and resources cover areas that most people don't think about until it's too late. This guide is critical if you want to prepare today for what may happen tomorrow!.
