Reviews

A brand new e book with a brand new standpoint. It really is simplified but unexpected situations in the 50 % of the publication. Your daily life period will likely be transform as soon as you full looking over this publication.

(Dr. Carmine Hammes)

LEARN SHORT ROW SLIP STITCH (PAPERBACK)

Annie s Attic, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. Learn Short Row Slip Stitch is a combination of slip stitch ribbing and short rows. This combination produces a fabric that is soft and flexible that moves with you without binding. Both slip stitch and short rows are considered intermediate crochet skills but the patterns in this book are designed to be easy. They are based on simple rectangle construction using short rows for shaping. By practicing a few swatches in the how-to section and then following the instructions carefully, you can easily master this technique. Seven fashionable designs include fingerless gloves, stocking cap, wrapped scarf, Flanders poppy, wedge cowl, four seasons top and a cozy vest.
