Balboa Press, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Love is endless, love is ageless, love is forever! Our spiritual guides are here to remind us that love is the single most important goal in our lives, and once we learn how to love, everything else in our life will run smoothly. We need to learn to talk love, act love, and think love every moment that we live on this earth. Love yourself and know that God created us out of love, so therefore we must be perfect. Only our thoughts and lack of love make us feel that we are imperfect. We need to return to that perfect state in which God created us. The innocence of a child is love. Even though you can't see love, you can feel it. For when your world goes black on you, you have but to close your eyes, put your arms around yourself, and feel the love that comes from within. For you are never alone when you walk the path of love.
