

## Miracles and Supernatural Religion (Paperback)

By James Morris Whiton

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Miracles and Supernatural Religion is a classic religious studies text by James Morris Whiton. While the present subject of discussion tempts to many an excursion into particulars, its treatment is restricted to general outlines, with an aim simply to clarify current ideas of miracle and the supernatural, so as to find firm holding ground for tenable positions in the present drift period of theology. The chief exception made to this general treatment is the discussion given to a class of miracles regarded with as much incredulity as any, yet as capable as any of being accredited as probably historical events--the raisings of the dead. The insistence of some writers on the virgin birth and corporeal resurrection of Jesus as essential to Christianity has required brief discussion of these also, mainly with reference to the reasonableness of that demand.
