

Some Remarks on the Axioms and Postulates of Athetic Philosophy

By George Edward Turner

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.From the Introduction. That form of Philosophy which aims at the advancement of knowledge by the distinction of its incommensurable provinces, thereby to avoid their possible confusion or perhaps negation, and to which the writer has ventured to suggest the name of Athetic (as distinguished from Synthetic) and of which a primary basis is the incommensurability of certain Psychic and Cosmic provinces, has its general groundwork indicated in twelve Axioms and six Postulates, which being, more or less, mutually dependent on or arising out of each other, are placed together instead of in two separate divisions. This Philosophy is proposed with a practical, rather than with an abstract or theoretical view; which latter may be urged as objections against some previous systems: incommensurability, as here understood, being proposed as reconciling apparently conflicting provinces. The fact of incommensurability in relation to provinces of different essence, was suggested by the writer in a small paper in 1882, but not published till 1904 as an Appendix to a small work in which the suggestion was thrown out that the solution of...
