Turtleback Books, 2011. Hardback. Condition: New. Turtleback School Library ed.. Language: English . Brand New Book. Tory Brennan, niece of acclaimed forensic anthropologist Temperance Brennan (of the Bones novels and hit TV show), is the leader of a ragtag band of teenage sci-philes who live on a secluded island off the coast of South Carolina. When the group rescues a dog caged for medical testing on a nearby island, they are exposed to an experimental strain of canine parvovirus that changes their lives forever. As the friends discover their heightened senses and animal-quick reflexes, they must combine their scientific curiosity with their newfound physical gifts to solve a cold-case murder that has suddenly become very hot-if they can stay alive long enough to catch the killer s scent. Fortunately, they are now more than friends: They are a pack. They are Virals.
