WHEN YOU HAVE TO GO TO PRISON: A COMPLETE GUIDE FOR YOU AND YOUR FAMILY (PAPERBACK)

Atlantic Publishing Group (FL), United States, 2011. Paperback. Condition: New. Language: English . Brand New Book. The number of people incarcerated across the United States reached two million in 2002. That number has increased since then, and the U.S. holds the highest incarceration rate in the world - one out of every 100 Americans are in prison. The rate of imprisoned females is rising at a faster rate than imprisoned males, and many individuals are imprisoned for non-violent crimes. Individuals with otherwise respectable lives are incarcerated with little or no idea of what to expect and how it will affect them and their families. This book was written to help anyone who is preparing to go to prison with the possibilities, expectations, and realities of their situation from the strain it will put on a marriage, to the conversations you will need to have with your children. You will learn everything you need to know about prison that the system is unwilling to tell you. Learn how visitation works and how often you will be able to see your family. Learn how to discuss prison with your children and how to maintain a healthy relationship with your spouse regardless of the duration of your incarceration. Learn about the unique issues women go through in prison. Learn how to write a loving letter and how to effectively bide your time in prison without succumbing to the temptations and bad influences. Learn how to maintain your dignity and the respect of your children despite everything that has happened, by consistently keeping in touch. After interviewing more than 100 past and present inmates along with their families, this book provides a complete perspective into how people respond to the prospect and reality of incarceration, and what you can do to prepare for those...
