

## Foley

By Harriet Brill Outlaw, Penny H Taylor

Arcadia Publishing (SC), United States, 2013. Paperback. Book Condition: New. 231 x 165 mm. Language: English . Brand New Book. Advertisements placed in newspapers throughout the Midwest in the early 1900s read, Notice to Homeseekers: Good farm land at a reasonable price, directing people toward Foley, Alabama. A new town with an ideal climate and boundless resources, it was the final stop on the railroad spur to south Baldwin County that was completed in 1905. First built on an agriculture and timber economy, the town was soon home to businesses that sprang up during the population explosion. Nearby Elberta, a German colony, and the river towns of Magnolia Springs and Bon Secour also experienced accelerated growth as the area was developed. The heritage of the greatest resource--the people of Foley--is best told in the photographs long treasured by families of the earliest settlers and collected by the authors to be shared and preserved for posterity.
