In Advance of the Institution can be described as a textbook for John Isaacs world view, a view which emphasises that: The common thread in all of the varying definitions of language is the concept of rifts between individual people, animals, even inanimate objects and how these gaps may best be bridged. Compositing numerous sourced texts, by writers such as H.G. Wells, Freud, Jung, Einstein, Adam Smith, and The Bible, alongside reproductions of Isaacs work, In Advance of the Institution constructs an intriguing and engaging lateral narrative that underlies the difference and similarities between ideas, objects, and the actions of individuals, in relation to social constructs. Although John Isaacs is generally regarded as a sculptor, his praxis incorporates a range of different mediums - from found object constructions, to video and photographs. This range emphasises his world view that buried under the surface of our apparent isolation from one another lies a universal connection - from the physical functioning of the bodies we inhabit to the...
